

Deluxe Lift

 Joerns

Designed to meet the needs of the caregiver as well as the patient, the HPL402 features ergonomic handle grips to reduce back strain and a mechanical down-release lever for non-powered lowering. The single-speed actuator is reverse-mounted to give the patient increased leg clearance, and the unit also features leg guards and caster bumpers to prevent damage to walls and furniture.

Adjustable U-base for easy sitting or toileting and to expand the base with the pull of a lever. **Image 1.**

Battery includes emergency stop button. **Image 2.**

Allows 4-point, 6-point, or chain style slings. **Image 3.**

Battery Type 2-12V, Rechargeable. Charger Input 120V AC. **Image 4.**
