

# Playpak

It contains a complete activity center of rolls, wedges and supports that come together in many ways and allow your child to practice different developmental poses.

The colourful floor mat has 'fluffy' velcro lining, to which all components can be easily and securely attached/removed.

**Image 1.**

Long and Short Roll to provide just the right level of support for your choice of activity. **Image 2.**

Small and Large Horseshoe give lower and upper back support. **Image 3.**

Positioning Strap & Headrest for extra support when needed at the front, sides or back. **Image 4.**
